

SEYED MOHAMMAD MEHDI MOUSAVI

PERSONAL INFORMATION

Gender : Male
Date of birthday : July , 17 , 1995
Nationality : Iranian
Marital status : Single

OBJECTIVE

- Artificial Intelligent
- Data Mining
- Web Development
- Mobile App. Development

EDUCATION

- **Amirkabir University of Technology** (Tehran Polytechnic), Tehran, Iran
BS Candidate, Computer Engineering, Software
September 2011 - June 2015 (expected)
- **ShahidRejaye High School**, Bijar, Kordestan , Iran
Diploma in Mathematics and Physics, Sep. 2007 - Jun. 2011

SKILLS

- **Programming Languages :**
Expert in : Java , C , C++
Familiar with : C#
- **Mobile App. Development :**
Expert in : Android
- **Data Base System :**
Expert in : MYSQL
- **Operating System :**
Windows , Linux
- **Type Setting :**
Microsoft Word
- **Web Development :**
HTML , CSS , Java Script , php
- 58 word per minute typing

PUBLICATIONS

- **Computer Networks I,**
Implementing a FTP client. This project was done mainly using Java.
- **Design of Algorithms,**
Implementing L-Tiling algorithm and Ford-Fulkerson algorithm. These projects was done mainly using Java
- **Data Structures,**
Implementing search files application with Inverted-Index algorithm. This project was done mainly using Java
- **Advanced Programming,**
Developing J Tank (a game like Normal Tanks), JDM (a download manager like IDM) and J Calculator (a calculator). These project was done mainly using Java.
